

危机: **weiji / way-jee** Crisis = dangerous + machine = opportunity

Hezekiah models what to do in a crisis:

- 37.10-13 **Face it:** What is your crisis/opportunity?
 - Sense of impending doom...Pressure...“Dark night of the soul”...
- 37.14 **Take it to God:** “Spread it out before the Lord”
- 37.16 **Praise:** “You alone...enthroned...God of all...Creator”
 - Transcendence of God
- 37.17-20 **Ask:** “Bend down and listen...open your eyes and see...rescue us”
 - Immanence of God
- 37.20 **Honor:** “all the kingdoms of the earth will know that you alone are God”
- 37.30-32: **Hope:** “you will grow up and flourish” (v.31)
- 37.32 **Trust:** ‘The passionate commitment of the Lord of Heaven’s Armies will make this happen!’
